Book Of South Park Meme Token

Pre-Sale Road Map

Private Pre-Sale:

The private pre-sale is an opportunity to reward our community members and contributors of \$BOSP - "The Book Of South Park Meme Token". This is a strictly limited time opportunity for them to take advantage of a discounted price of \$0.0004 per token and is only limited to the week prior to "The Book Of South Park Meme Token" public pre-sale launch.

Public Pre-Sale:

The public pre-sale is open to everyone and anyone to take part in this exciting and unique "Book Of South Park Meme Token" project. To ensure a successful pre-sale launch and withstand deflationary price pressures, we set a pre-sale buy price of only \$0.0005 USD per token and a limited total supply of only 10 billion.

To further enhance and protect the projects' success, we have revoked all privileges – please refer to the White Paper.

Pre-Sale Promotion:

In a unique and rare exclusive opportunity in the history of crypto meme tokens and by invoking a true sense of ownership, we hope to foster inclusivity among all pre-sale stakeholders and ensure the genuine interest and passion of those it serves. To this end, we will be rewarding all qualified "Book Of South Park Meme Token" contributors with real genuine custom made \$BOSP coins.

With the input of our community members and contributors, we have utilised the latest AI graphics generators to design 5 unique token/coins. Four individual token/coins will feature one of the four main "Book Of South Park Meme Token" main characters and the fifth coin is the genuine \$BOSP logo coin, featuring all four characters on the one coin (please refer to the Pre-Sale Promo White Paper for further details).

To claim your tokens/coins simply email your wallet address you used to claim your \$BOSP tokens during the pre-sale as well as your desired postal address. These token/coins will be distributed at the end of the final pre-sale launch and is available to all qualified pre-sale contributors. Please refer to the Pre-Sale Promo White Paper for qualifying conditions.
